Subject: Resignation of Pablo Cejas from the Planning Board

Planning Department staff has just received a letter from Pablo Cejas announcing his resignation from the Planning Board. He mentions his current commitments to business and family as his reason for resigning.

Mr. Cejas has served the Planning Board with distinction for approximately one year and his resignation is an unfortunate turn of events that will leave a gap for a voice for the business community. Mr. Cejas was the "general business" appointment to the Planning Board; at the May 5, 2004 meeting the Administration will request that the City Commission make an appointment to fill this category.

Re: Resignation from City of Miami Beach Planning Board

Dear Jorge and Mercy:

Please accept this letter as written confirmation of my resignation from the City's Planning Board, effective immediately.

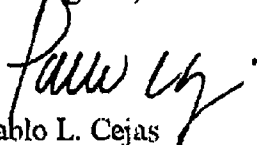

Unfortunately, current commitments to both my business and family life preclude me from being able to continue to serve on the Board.

I would like to express my thanks to you both for all of your hard work, dedication, and professionalism during my time with the Board. Please express my appreciation to the rest of the Planning Department staff for all of their hard work as well.

I am grateful to you both in assisting me during my opportunity to serve the City of Miami Beach, and I continue to believe that the future success of the Planning function of the city rests competently in both of your hands.

Thank you, again, and I look forward to staying in touch with you both until I have the opportunity to serve our great city again.

Best regards,

Pablo L. Cejas
